On Line Dive Sheets Submission via 'Dive Recorder'

Divers/Coaches are requested to submit dive sheets electronically, both for their own convenience and to minimize the chance of errors loading the data into the recording program. Coaches may make bulk submission of dive sheets on behalf of their divers by using the program Dive Sheets with which most of you will already be familiar. Alternatively, individual dive sheets may be submitted on-line.

To submit your dive sheets on-line, go to www.diverecorder.co.uk and follow the instructions. As soon as you complete the on-line submission you will see a success / failure message.

Electronic submissions must be made no later than 12.00 pm on Wednesday 5th October. You will be asked to check hard copies of the dive lists at the venue. Changes to dive lists will be allowed up to 30 minutes prior to the start of the session that includes your competition.
